

EOLA-AMITY HILLS AVA WINERIES & TASTING ROOMS

DRIVING MAP

It's hard to express the beauty of the Eola-Amity Hills region in words. So we make wine – great wine. Our region is best enjoyed with a partner or friends.

Taste the volcanic soils, the Van Duzer winds, the sunshine and spiciness in our wines. We love to share our stories with visitors; and you can often find the owners or winemakers in the tasting room pouring the wines. Don't hesitate to grab a selfie; or ask for an autograph on your bottle.
